Ian Selbie has been delivering high-performance sales services internationally for over 25 years. He has delivered his **proven sales methodology to over 17,000 sales professionals around the globe**. Ian's clients have witnessed a number of sustainable benefits which include: *increased forecasting accuracy, increased customer loyalty, less sales turnover, more effective hiring and of course increased revenues and margins*. Prior to launching his business, Ian held sales and leadership roles with Apple. In 1990, **Apple recognized Ian as the Top Salesperson in the World** for his success in Enterprise Accounts.
